2018 Committee Structure

Section 2

IFPMA

Strategic Framework

Bridge between the industry and global health stakeholders

IFPMA is a **strong, assertive** voice for the industry's value proposition, with a portfolio of constructive initiatives, positioning the industry as thought leaders and solutions partners.

IFPMA brings **insights** on political and policy trends, and external stakeholder perspectives to its members.

Bridge between the industry and global health stakeholders

Bridge between the industry and global health stakeholders

Ethics and Business Integrity

Section 3

IFPMA Strategic Partnerships

Access Accelerated

A first-of-its-kind, global multi-stakeholder initiative of 23 biopharmaceutical companies advancing access to NCD treatment and care in low and lower-middle income countries to:

Advance **sustainable progress** on NCDs and the SDGs

Leverage the power and **expertise of industries**

Partner with others to understand and **address systematic barriers**

Improve outcomes for **patients**

AMR Industry Alliance

The AMR Industry Alliance is the **largest private sector coalition** set up to provide sustainable solutions to curb antimicrobial resistance, with **over a 100 research-based pharmaceutical, generics, biotech and diagnostic companies and associations** joining forces.

1st Progress Report: January 2018

R&D Pharma

Biotech

Generics

Diagnostics

Pat-INFORMED

Pat-INFORMED is an international platform seeking to facilitate national and international drug procurement agencies to access a basic body of patent information. A voluntary initiative with the participation of twenty-one of the world's leading research-based biopharmaceutical companies.
